## Mobile Deposit Agreement

For check deposit, we require a photo of the front and back of the check along with proper endorsement. Checks deposited **prior to 2:00 p.m. Central Time** will be credited the same business day. Those received later will be credited the next business day. If there is a problem with your check being deposited, United Valley Bank staff will contact you directly with the reason. If you question whether a check has been received for deposit, please contact us at (701) 265-8331 or 1-888-265-8331. Checks deposited electronically must be endorsed "For Deposit Only via Mobile Deposit on (date)", followed by the customer endorsement and marked as deposited to prevent duplicate deposit and should be destroyed in a timely fashion after proper credit has been received.
